OUR CANADA'S TRUE TO THE CORE.

1

Our Canada's true to the core, my boys,
Of resources we've a rare store ;
Our vigour and pluck
Have secured us good luck,
Because we are true to the core, my boys,
Because we are true to the core.

CHORUS :

Our Canada's true to the core, my boys,
Our Canada's true to the core ;
And traitor or foe
Most surely shall know,
That Canada's true to the core, my boys,
That Canada's true to the core.

2

Our emblems shall fix our renown, my boys,
Our emblems shall fix our renown ;
The maple's fair leaf
Is the beaver relief,
That's top't with the old British Crown, my boys,
That's top't with the old British Crown.

3

We come of a very fine stock, my boys ;
These famous old Britons of yore
Built up a nation,
The pride of creation,
Because they were true to the core, my boys,
Because they were true to the core.

4

Our country's the best in the world my boys,
Its wonders are pregnant with lore ;
Its sons are as bold
As their fathers of old,
Because they are true to the core my boys,
Because they are true to the core.

5

Our maidens are lovely and fair, my boys,
And so were their mothers of yore ;
And during their lives
Are good daughters and wives,
Because they are true to the core, my boys,
Because they are true to the core.
